

*Separate Peace Chapters 9 and 10*

1. What were two terms the author John Knowles used when describing the deception Leper experienced with the ski troops?
2. Define the double meanings behind the title of the novel, *A Separate Peace*.
3. How did the boys talk about the war once Leper enlisted?
4. How is Gene reacting to Finny's return to campus?
5. Chet Douglas was smart but not that popular or important to his class. Why not? How did you have to act to be considered someone with a "personality"?
6. What brought about Leper's emotional breakdown even though he never made it out of boot camp to the front?
7. Give two reasons why Gene felt threatened after his visit to Leper's home?
8. Why did Gene leave Leper facing the four winds out in the field?
9. Why did Gene go to Leper's in the first place?
10. What did Gene do at Leper's home even though he didn't want to? He just felt he should.
11. At first, what did Gene want to believe as the reason for Leper just leaving the army when he sent his telegram to him?
